CABIN
TWO BROTHERS, A DREAM, AND FIVE ACRES IN MAINE
LOU URENECK

Confronted with the losses of his job, marriage, and mother, the author buys five acres in the hills of western Maine and asks his younger brother to help him build a post-and-beam cabin. "In this thoughtful and engaging book, Lou Ureneck isn't simply writing about building a cabin; he is writing a deeper story about love and loss, home and family, and how two brothers, long separated, were able to renew the powerful bond between them."—Gay Talese.
